SUPERVISORS HOLD REGULAR MEETING

COUNTY CANINES ARE SAID TO
BE INFECTED WITH THE
DEADLY HYDROPHOBIA.

Many Bids Received for Courthouse
Stationery—Local Dealer Under-
bids Out-of-Town Houses.

The Board of Supervisors met in
regular session Monday, April 1st,
there being present P. H. McEvoy,
presiding, Wm. H. Brown, Jas. T.
Casey, and Jos. M. Francis.

The minutes of the previous
meeting were read and approved.

Reports were received from the
motorcycle officers as follows:

George Lowans, First township,
from March 4th to 31st—Seven
arrests; one conviction; six cases
pending; fines, \$10.

M. F. Brown, Second township,
from March 18 to date—Three ar-
rests; six convictions; fines \$135.

T. A. Martenstein, Third town-
ship, from March 18th to date—
Four arrests; two convictions; four
cases pending; fines, \$30.

The following named liquor deal-
ers whose applications were pre-
sented at the first meeting in
March were granted licenses:

First township—James Murray,
Colma; John Mori, Rockaway; F.
P. Brass, Colma; Cornelius McAul-
iffe, Colma; M. J. Custodio, San
Bruno.

Second township—Chas. P. Hawk
Belmont.

Third township—A. V. Kierfer, La
Honda; Walter Jellch, Portola; H.
E. Hallett, Portola.

Fourth township—John Fancu-
chi, Miramar.

The following applications were
given first reading and will be
acted on a month hence:

Third township—John Beltramo,
Menlo Park, Class B.

Fourth township—John Olson,
Farallone; John Marshall, Lobatos;

A communication was received
from H. H. McCloskey, representing
the Ocean Shore Land Company,
requesting that permission be
given that company to lay
wood and concrete curbing along the
county road through the township of
Salada in the First township, a
distance of one-half mile.

The matter was referred to Su-
pervisor Casey.

A communication was received
from the Southern Pacific Company
calling the board's attention to the
fact that the freight charge amount-
ing to \$52.03 on furniture de-
livered to the courthouse by the
H. S. Crocker Company had not
been paid and asking that the
claim be paid by the county. No
action was taken.

Resolutions were received from
the Woman's Club of San Mateo,
urging the board to aid in stamp-
ing out the sale of impure meat
in the county by the appointment
of a meat inspector. No action
was taken as the matter is al-
ready in the hands of the district
attorney who is preparing an or-
dinance covering the subject. The
resolution was accepted.

Resolutions were received from
the Daly City board of trustees de-
claring it to be the intention of
that body to abandon its central
street so that it might be turned
over to the State for the proposed
State highway. The resolutions
were referred to the highway com-
mittee.

The sale of a franchise to erect
poles and wires for electric current
in the First township, petition
for by J. J. Gomes, was taken up.
But one bid was received, that of
Gomes, who offered \$20 for the
privilege.

A resolution declaring the
franchise sold to Gomes was adopt-
ed on motion of Francis, seconded
by Casey.

Mr. Kincaid presented an or-
dinance confirming the granting of
the franchise but it was ob-
jected to by the district attorney
on the ground that it did not
specify a particular route for the
line but gave the holder the right
to use any streets or county roads,
that he chose. The matter was
laid over until afternoon.

Dr. Beattie, the county health of-
ficer, appeared before the board and
asked that an ordinance be adopt-
ed prohibiting dogs from running at
large unless muzzled or kept in re-
straint by their owners. Dr. Beattie
said that it was positively
known that many dogs were suffer-
ing from rabies.

The district attorney also ad-
dressed the board on the subject,
confirming the statements made
by Dr. Beattie.

Brown moved that the district at-
torney prepare an ordinance cov-
ering the subject for adoption at
the next meeting. He was seconded
by McEvoy and the motion car-
ried.

Casey presented the application of
Clare Nelson of Lomita Park for
county assistance and moved that
the application be granted. He
was seconded by McEvoy and the

motion carried. She was allowed \$3
per month.

In accordance with the published
notice calling for bids for supply-
ing the county officers with station-
ery the clerk was directed to
proceed with the opening of bids.

The following proposals were re-
ceived for furnishing record books
Carlisle & Co., per book, \$17.50
A. D. Walsh Co., per book, \$15.
P. A. Ryan, per book, \$13.20.
Mysell-Rollins Co., per book,
\$14.75.

Althof & Bahls, per book, \$14.90.
On motion of Francis, seconded by
Brown, the contract was awarded to
P. A. Ryan.

The following proposals were re-
ceived for furnishing writing pads:
Mysell-Rollins, per dozen, \$1.20
P. A. Ryan, per dozen, \$1.50.
A. D. Walsh Co., per dozen, \$1.32.

On motion of Brown, seconded by
Casey, the contract was awarded
to the Mysell-Rollins Company.

The following proposals were re-
ceived for furnishing adding-ma-
chine paper:
Mysell-Rollins Co., case of 100
rolls, \$10.00.
P. A. Ryan, \$8.50.
Carlisle Company, \$8.25.
A. D. Walsh Company, per dozen
rolls, \$2.00.

On motion of Brown, seconded by
Casey, the contract was awarded to
Carlisle.

For other stationery the follow-
ing bids were received:
A. D. Walsh Company, \$413.
P. A. Ryan, \$383.63.

The contract was awarded to
Ryan on motion of Brown, second-
ed by Blackburn.

Attorney Kincaid addressed the
board in behalf of J. J. Gomes and
asked that the ordinance confirm-
ing the sale of the franchise to
him be passed.

Francis moved the adoption of the
ordinance as presented during the
forenoon. He was seconded by Ca-
sey and the motion carried.

Mr. Kincaid presented Gomes' writ-
ten acceptance of the franchise
and also his bond of \$1000 with Joe
Fernandez and Fred Campbell as
sureties. Both documents were ac-
cepted.

District Attorney Swart notified
the board that Jerome Williams had
been sent to jail for six months
for failure to provide for his four
children. It was the duty of the
board to provide work for him at
\$1.50 per day which amount will be
paid to his family. Williams could
be employed on the courthouse lawn.
The district attorney was directed
to file Williams' commitment with
the board.

Casey given permission to con-
struct two culverts near the Hau-
rich place and make a fill at Tan-
foran, in the First township, the
same to be charged against the
General fund.

A number of erroneous county as-
sessments were reported by the
tax collector and ordered corrected.

Brown stated that county physi-
cians in answering sick calls are
apt at times to exceed the speed
limit for automobiles and perhaps
run the risk of arrest. In order to
avoid such consequences he moved
that the clerk communicate with
the secretary of the county medi-
cal association requesting that
the physicians put the red cross
sign on their machines. He was se-
conded by Blackburn and the motion
carried.

The following named citizens were
appointed by the several mem-
bers to constitute the County
Exposition Committee: First town-
ship, George R. Sneath; Second
township, H. P. Bowie; Third town-
ship, James L. Flood; Fourth town-
ship, Dr. Charles L. Morgan; Fifth
township, James McCormick senior.

On motion of Brown, seconded by
Blackburn, the citizens named were
declared the official appointees of
the board.

CHINESE GUN FIGHTERS INVADE REDWOOD CITY.

The Chinese Tong War that has
lately been waged in San Francisco,
San Jose and other cities through-
out the State was transferred to
this city yesterday morning and a
wholesale killing was prevented by
the prompt action of the officers.

Under Sheriff Moran was about
to leave the county jail for the
courtroom with Kong Tuen and
Jim Lee, the two highbinders
who were arrested at Menlo Park
Thursday night, when he espied two
young Chinese hiding in the tall
grass near the lockup. He hurried
his prisoners back to jail and
then gave chase to the vis-
itors. After a lively run he suc-
ceeded in placing them under ar-
rest. They were found to be
heavily armed and gave their names
as Ah Ye and Ah Suey. They are
said to be members of the Sun
Suey Yung of San Francisco. Sher-
iff Mansfield sent his deputies
out to scour the neighborhood and
seven other Chinese were found
in hiding, all heavily armed. They
were lodged in jail and will be pro-
secuted on a charge of carrying con-
cealed weapons. There is no doubt
that they intended to kill Kong
Tuen and Jim Lee, and it is prob-
able that a bloody shooting affray
would have ensued had not Moran
been watchful.

The two last named prisoners
were arrested by Constable Walsh
after an exciting chase, while in
the act of making an attack on the
Chinese wash house at Menlo Park.

An effort was about to be made
yesterday morning to have them re-
leased on habeas corpus. A war-
rant had been received from Stock-
ton for their arrest, should they
be released, on a charge of rob-
bery at that city and Deputy Sher-
iff Sturcke of Stockton was here
to take them to the latter place,
providing he could safely run the
gauntlet of the gun fighters.

**SHOT DOWN IN COLD
BLOOD AT SAN MATEO.**

Riley Bale, a young resident of
San Mateo, was shot down in cold
blood on the streets of that city
Monday night by a man who says
his name is Edward Dolaney and
claims to be a recent arrival from
La Barge, Wyoming.

Delaney says that he has been
hounded by secret societies and
seeing his victim wearing a lodge
emblem he shot him.

Young Bale died at the Red
Cross hospital early Tuesday morn-
ing. He was conscious before
his death and conversed with his
parents. The fatal shot took ef-
fect in his abdomen.

The deceased who was an es-
timable young man was born and
reared in San Mateo, and is the
son of E. A. Bale, a contractor.

He said that he had never seen
his assailant before.

District Attorney Swart says
that Dolaney talks and acts rati-
onally but that he seems to be a
fanatic on the subject of secret so-
cieties.

The prisoner bears a close re-
semblance to an unknown hobo who
shot and killed Constable Warren
Willard at Oxnard recently.

Court Recommends Sea Trip

A voyage to Alaska, with a pro-
longed stay, is the penalty George
Reber must pay for having broken
into a freight car of the South-
ern Pacific while it was idle track-
ed at San Bruno. Reber appear-
ed before Judge Buck Friday and
pleaded guilty to breaking in and
trying to carry off parts of
stoves which he found there. The
prisoner was very penitent, and as
he had shown previous good conduct
he was out on probation on con-
dition that he leave the State.

Michael Redmond and fam'y,
former old time residents of Red-
wood City who have lived in Bel-
mont for a number of years, have
returned to make this city their
permanent home.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

RESERVE
your place now
For the Booster Dinner
at the Peninsula
April 10th.

What Redwood City wants is wide-awake, progressive government. Jos. J. Hahir, George A. Merrill and Geo. A. Deleau are undeniably wide-awake and progressive men.

If we are to achieve success in the management of our public affairs we must have harmony of thought and action. By the election of the candidates for Trustee put forth by the citizens' convention we can be assured of that unity of purpose and action.

THE CALL OF DUTY.

For every citizen of Redwood City there is a duty waiting next Monday. Nor will any excuse of business or social duties be sufficient to set aside that duty. Every man and woman entitled to the right of franchise should go to the polls Monday, and register a choice for the men who are to conduct the public affairs of the city for the next official term of its existence.

While it may be true that no great issues are at stake—that neither bad men nor harmful measures are being put forward—no relief from that bounden duty is thus afforded. In the true sense of the word, there can only be a true democratic government—a government by the people—when at least a large majority of the people go to the polls and there register their will.

A full performance of this duty by the people is but justice to the men who shall receive the selection. They should go into office with the consciousness that they have the support of at least a majority of the people whom they are to serve.

Nor need this duty be performed at material inconvenience to any citizen. The time during which the polls are to be open affords ample opportunity for all classes. For those whose business call them out of the city during a portion of the day—for the "commuter"—there is an abundance of time, either before departing or after returning, to perform the duty with slight inconvenience. For those occupied with the duties of the shop or household ample choice of time is offered.

CANDIDATES STATE THEIR PLATFORMS

Nominees for City Offices Make Public Declaration of Their Civic Intentions

Judging from the attendance at the mass meeting last Tuesday evening, the people of Redwood City either are taking but little interest in the result of the approaching municipal election or have made up their minds as to a choice of candidates and have no desire for discussion. Considering the fact that the meeting was announced as an occasion of open discussion, at which all should be given an opportunity to air their views, it might well have been expected that the Alhambra would have been filled about to its capacity. Yet when the meeting was called to order by T. C. Rice, who presented the speakers, less than half the seats in the room were occupied. To the credit of our new voters, however, it can be said that far more than half the audience was composed of women.

The first candidate to be offered an opportunity to state his position was John Christ. Seemingly considering that he needed no introduction to the people of a community in which he has resided and taken an active part from its pioneer days, Mr. Christ did not attend the meeting.

The first candidate to face the audience was George A. Deleau, nominee of the mass convention of trustees. Mr. Deleau spoke briefly but to the point, announcing himself as a strong believer in the future of this city, both as a commercial and residence center. He announced his belief that the need of the times was men in public position who could be trusted—men who will not alone be fair and honest in their dealings but progressive in their actions. As a candidate, he pledged himself that if elected he would support every measure that had the merit of being progressive, while carefully guarding the financial interests of the public. Mr. Deleau also spoke words of praise for the work of the park commission and promised to assist in every possible way consistent with economy in the beautification of the city streets.

Joseph J. Hahir, also a nominee of the peoples convention, for trustee, was the next candidate to be presented to the assembly. Opening with a few sallies of native wit, Mr. Hahir soon had his audience in the best of humor and was given the closest attention while he briefly stated his position. As a resident of this city for the past eight years, during which he had carefully noted its progress, Mr. Hahir claimed that he had amply experienced the effects of both the antique and progressive systems of municipal control and was ready to go on record as emphatically endorsing the latter. As a candidate for trustee he had neither private axe to grind or friends to provide for, and could go into office free from either faction or sectional control. With a mind of his own, schooled by experience to do his own thinking, he was free to give to the work of the people unbiased judgment. The saloon question, he considered, had been settled four years ago and had been settled intelligently, and in the hands of reasonable men would so continue in the future. For himself, he asked the support of that element of citizens who desire progressive, modern methods in the conduct of local civic affairs; who want well constructed streets, and liberal encouragement of all things which will tend to provide employment for the working man, business for the merchant, and present and industrial future for the youth of our city.

The next candidate for trustee to be presented was William Jamieson, whose remarks were characterized by extreme brevity. Announcing that he had been inducted to submit himself as a candidate for trustee at the behest of a number of the best citizens of the city, Mr. Jamieson assured his hearers that he had no personal axe to grind, and if elected was ready to go into office pledged to give to the interests of the people the best thought and work of which he was capable.

The last of the nominees for trustee to be presented was George A. Merrill, who for the past four years has been president of the board, and as such has gained intimate knowledge of the affairs of the city.

Mr. Merrill occupied by far the greater portion of the evening, devoting much of the time to a review of his work and that of his fellow officials during the past four years. At times Mr. Merrill became quite forceful, venting his opinions in no measured terms. Recounting the work of the present members of the council, he expressed regret that the public had not taken pains by their attendance at meetings of the trustees to make themselves more familiar with the conduct of public business and better aware of the difficulties under which their representatives had often worked. In his review of the work of the past, the audience was treated to a complete review of the history of the right of way of the Southern Pacific and the labor required to secure an adjustment of the numerous questions arising which resulted in a full protection of the rights of the public. Taking up the municipal lighting system, Mr. Merrill explained in detail the work of reconstructing the plant and made the pleasing announcement that within a short time a material reduction in the present cost of street lighting, with a material improvement in the service was to be expected. Answering the criticisms which has

been made on the conduct of the city water system, it was shown that at no time had the plant been operated at an actual loss to the city, while at present it was not only being operated at a profit but was providing an excellent fire protection. In closing Mr. Merrill took occasion to return thanks for past support and to pledge for the future that same effort which he had given in the past.

With the close of the address of Mr. Merrill, Chairman Rice introduced W. H. Kelso, one of the candidates for town clerk. Speaking briefly Mr. Kelso made mention of his long experience in clerical positions and promised that if elected he would give the work of the office the first claim upon his time, being in attendance in the office of the clerk at all times during business hours. Mr. Kelso was followed by E. C. Plump, present clerk and candidate for reelection. Mr. Plump modestly declined to go further than to place his reliance upon his record in the office during the past four years.

STREET RAILWAY GIVEN FRANCHISE

Council Removes Last Obstacle In Pathway of Important Public Enterprise

The meeting of the city council last Monday evening, which was attended by a full board of trustees, was marked by two important measures, the final passage of the grant for a street railway franchise to Judge Fitzpatrick and the introduction of ordinances, the passage of which will settle for all time the question of the rights of the municipality in the railroad right of way through this city. The passage of the latter ordinance, which will probably occur at the next meeting of the council, will clear up a question which has troubled the council almost from the time the present members took office and will leave the city with its rights clearly defined.

The Levy Real Estate Company of San Francisco, which is the owner of the property in this city known as the Capitol Block, filed an earlier plea for a reduction of the valuation placed upon the property by the city in making up the assessment roll for last year, urging that the figures used were not justified by the income of the property. As the assessment for the present year has not been made, the communication was placed on file for the information of the city assessor.

An unsuccessful attempt was made to reopen the controversy over the old claims of James Neuman for engineering work done for the city on street improvement districts now abandoned, when Attorney Lee T. Ross, of Ross & Ross appeared for Mr. Neuman and asked that the vote by which payment of the claim was refused at the last meeting be reconsidered. After the trustees were in doubt as to some controversy over the question, the legal right to reconsider the action as the city attorney was not in attendance. The question was deferred to obtain his opinion. At the request of the Redwood City Hotel Company, preferred by C. G. Landscheit, an attempt is to be made to secure an amicable understanding among the property owners for the establishment of a bulkhead line along the creek from the railroad right of way to the bridge at Broadway. For the purpose of recommending satisfactory action the question was referred to Mr. Landscheit and City Engineer Fioda who will take steps to call a conference of the owners of property affected.

An application for a class A liquor license for the saloon located at the corner of Mound and Spruce streets was received from Bernard Burke. Following the rule of the council the application was referred to the committee on public morals, to be reported on at the next meeting.

Contrary to general expectation, the street railway franchise was not allowed to pass without objections. When the ordinance was given its final reading by Clerk Plump, and before a motion for its final passage could be made a written protest against its passage was presented by A. M. Robertson, who backed up his objections with a rather forceful argument. The only objection made to the franchise by Mr. Robertson was the time allowed for the completion of the filling of Cretar street, which he contended was an imposition upon the rights of not alone the owners of abutting property but of the people of the entire city. Mr. Robertson contended that the bonds were given for the extension of that street, which was the expectation on the part of the people that the work would be completed without delay, and the street opened to traffic. It was his opinion that the parties who secured the franchise for the railway were being given a valuable property and that they either should be compelled to fill that street within a much shorter time or abandon that portion of the route. While none of the trustees questioned the force of the argument of Mr. Robertson, they contended that the filling of the street at this time by the city was an impossibility for the reason that the necessary funds were not available, and expressed the opinion that the filling of the street would result in the franchise being abandoned, and in the most speedy opening of the street to public use.

Mr. Robertson urged that final action be delayed still further, in order to give another opportunity for public expression, but the trustees were evidently convinced that ample time had been given for consideration and upon a call of the roll the ordinance was given final adoption by a unanimous vote.

Dr. J. L. Ross, city health officer, addressed the council and urged that the city cooperate with the county officials in the adoption of measures calculated to prevent the introduction of danger from infected dogs. After citing the fact that rabies had made its appearance in the adjoining sections, Dr. Ross informed the trustees that District Attorney Swart was preparing for presentation to the next session of the Board of Supervisors an ordinance requiring the muzzling of dogs and asked that a similar ordinance be adopted by the council. Acting upon the suggestion of Dr. Ross, an order was made directing the city attorney to prepare an ordinance following the lines of that to be presented to the supervisors.

Trustee Hynding, who was appointed to represent this city at the recent conference of peninsula municipalities with the state highway commission at Sacramento, presented an extended report of the information obtained, followed by some pertinent suggestions on

PENINSULA AND SAN MATEO LAUNDRIES CONSOLIDATE

An important amalgamation in the laundry business has just taken place between the San Mateo Laundry, Inc., of San Mateo, and the Peninsula Laundry Company, Inc., of Redwood City.

The combination means much for the welfare of not only the laundry business but equally for the patrons, as they are not planning to increase prices in any way, but rather to make reductions by offering accommodations where possible in the natural reduction of expenses following the union of the two laundries.

The directors of the new amalgamation are: T. C. Rice, Redwood City, president; J. E. Riley, San Mateo, vice-president; F. T. Miller, Redwood City, T. C. Towne, L. S. Reading. There is no doubt that the combination of this body of men will be able to reduce the price of laundry work to a minimum, thereby eliminating the tendency of white people to send their work to orientals.

They are incorporated with a capital stock of \$75,000, \$40,000 of which is actually subscribed, the directors being the main stockholders.

The laundries will continue business under the same name, J. E. Riley managing the San Mateo end of the business and F. T. Miller at Redwood City. L. S. Reading will be financial director of both offices.

PLANS FOR NEW HOTEL TO BE SHOWN TO PUBLIC

The public is invited to inspect the plans of the proposed new hotel to be erected on the corner of Main and Broadway which are now on exhibition in the office of the Redwood City Realty Co., and to offer any suggestions they can, as it is the earnest wish of the directors of the hotel company to give Redwood what it wants in the way of a hotel, and there are several plans submitted, all of which have good points the task of selecting the one that best meets with our needs is not an easy one. Therefore any suggestions offered will be welcomed as an aid to enable the company to determine the plan to be chosen, which will be done at the regular monthly meeting of the directors on Thursday, the 11th instant.

Pescadero Correspondence.

Mr. Eaton of Gonzales came over on Tuesday in his auto and brought down from San Francisco Julius Hyman and L. Coburn and wife. Mr. Hyman came to investigate the facilities for large steamers to call and load at Pigeon Point, with a view to shipping from here south to Lower California, so as not to have to haul from here to San Francisco and reload on the big boats. He finds that he can bring large vessels here and load as there is 24 feet of water at low tide. In the very near future there will be a large amount of shipping done from here. A large store and hotel will soon be erected at the Point in conjunction with the shipping.

Mr. Duffield will start his mill about the 15th.

The Butano Development Company are working about 20 men at the old Butano mill. James McCormick goes up every day looking after things. L. H. Meade is quite ill with pneumonia. Dr. Thompson is attending him. The campers are commencing to come into the country.

Mrs. Ed Dickerman is sick. Dr. Thompson is attending the case.

Charles B. Younger and son and T. Dakun from Santa Cruz were in town Wednesday. They have been at the Waddell for the past few days fishing. Tom says he can catch more fish here than anywhere in Santa Cruz county, with the exception of Joe Bernham of the Hotel St. George, and to him he will take his hat off all the time.

T. R. Laubach has moved his plumbing shop to the Fitzpatrick building at 31 Broadway and is fitting up a nice place of business.

Redwood City French Laundry. All orders promptly attended to. J. Rynal proprietor. Phone Redwood 223 J.

In reporting that the attempt to induce the commission to undertake the building of state highways within the limits of incorporated towns, Mr. Hynding urged that action for the improvement of the County road be taken without delay. In his opinion any attempt to turn the jurisdiction over to the road to the county would result in jeopardizing the rights of owners of property and the convenience of the public. At the same time it was the opinion that the portion of the road within the limits of the city should be as good at least as that outside the same material. In justice to the owners of the abutting property he considered that a reasonable portion of the expense should be paid by the city at large. Following the suggestions of Mr. Hynding it was decided to call a consultation of those interested in the property fronting on the County road in the near future that some plan of satisfactory action might be devised.

Chairman Merrill stated that practically all matters in controversy between the city and the Southern Pacific concerning the railroad right of way had reached a satisfactory conclusion, and suggested that the question which had been so long pending should be settled by the present members of the council, who had become familiar with the issue. To this end he presented three ordinances granting to the railroad right of way the changing of location of telegraph poles. These were given first reading and laid over until the next meeting for final action. As soon as these are passed the railway company will file deeds conveying to the city strips of land the title to which has been one of the causes of contention.

PUBLIC SPIRIT OF CITY MANIFESTED

Bond Election Results in Adoption of Three Out of Four Improvement Proposals

Three out of the four propositions submitted to the people at yesterday's bond election were adopted, receiving more than the necessary two-thirds vote. On the questions affecting street improvements the majority appears to have been decisive. While the proposition for the chemical engine received a majority vote it failed to secure the required two-thirds.

For the first time since their enfranchisement the women of Redwood City were given an opportunity yesterday to exercise their prerogative at both the bond election and school trustee election. They acquitted themselves well, voting early and intelligently. Many women did not register in time for the contest yesterday but will be able to cast their ballot on Monday. The first vote cast at precinct number two was by Miss Elmir Theresa Robinson who waited until the polls opened at six o'clock and was the first woman in Redwood City to vote. All the ladies who registered in time did not fail to come to the polls. The bond election brought a full percentage of the electors which showed the interest the people took in it. The voting was heavy in all the three precincts and a strong opposition was noticeable against proposition C providing \$7000 for an automobile chemical fire engine. The tax payers believed that it was unnecessary at this time. The complete returns of the election are shown in the following table:

The following articles of incorporation were filed in the county clerk's office during the week: The El Cerrito Synthetic Laboratories in incorporated with a capital stock of \$20,000 divided into 4000 shares at a par value of \$5 each. SPLENDID OBSERVANCE OF HOLY WEEK CEREMONY

The ceremonies of Holy Week were carried out with impressive solemnity at the Church of the Nativity at Menlo Park this week. Thursday morning solemn high mass began at 9 o'clock. Rev. Francis Harvey of St. Patrick's Seminary was celebrant. Rev. George Lacombe deacon, and Rev. John Kavanagh sub-deacon. Rev. B. Hannigan conducted the ceremonies. At the close of the mass, the full ritual of the Reposition was observed and the Blessed Sacrament placed for the day for adoration in a beautifully arranged tabernacle set in an alcove heavily draped in white silk.

Thursday evening Rev. J. B. Hannigan preached on Reposition, dwelling upon the fearful burden of sin and crime, blasphemy and insult the world of men has managed to heap up in the sight of God since the commission of the first sin which made sinners of us all and exhorting his hearers to renewed effort in their love and devotion toward Jesus in the Blessed Sacrament. Contrition and confession, the speaker said, may save us from eternal damnation, but only love and greater love can make effective reparation.

Friday morning at 9 o'clock the sacred ritual of the unveiling and adoration of the cross was chanted and the Rev. J. E. Hannigan,

THE MEN AND RELIGION FORWARD MOVEMENT.

Religious thought of the present day has taken form in the minds of men in a very definite way and is expressing itself in what is known as the Men and Religion Forward Movement.

This is not a religious sect. It is not an object of religious activity. It is a systematic effort among men to bring religious thought and principles into closer and more definite touch with the problems of every day life. It is in connection with this movement that the Rev. W. H. Hodgkin, chairman of the Social Service Commission of the Diocese of California has promised to visit this city, and will speak at St. Peter's Episcopal church Friday evening, April 12, at 8 p. m. The public is invited to attend.

SCHOOL TRUSTEE CONTEST CALLS OUT HEAVY VOTE

The contest over the selection of two trustees for Sequoia Union High School district excited much local interest and brought out by far the largest vote ever polled at a school election in this city. As was to have been expected, a very large portion of the women entitled to vote came to the polls. While complete returns from outside polling places were not obtainable last night, the figures at hand indicate that Trustees Heydenfeldt and O'Keefe have been returned by complimentary majorities.

In Redwood City the vote was as follows: D. E. O'Keefe, 314; T. O. Heydenfeldt, 285; Helen M. Storrs, 110. At Menlo Park the entire vote was cast for the male candidates, O'Keefe receiving 38 and Heydenfeldt 35.

For trustee of the Redwood City grammar school district Henry Steinberger was given the compliment of a reelection without opposition. Out of a total of 331 votes cast Mr. Steinberger received 330.

Contests Family Allowance. J. F. Moore, special administrator of the estate of J. J. Moore, deceased, has filed a motion of appeal to the Supreme Court from the order made by Judge Buck on March 15th, allowing Mrs. Lillian L. Moore a family allowance of \$500 a month. The notice was filed in the county clerk's office on Monday and is issued to Mrs. Moore and her attorneys, Mastic and Partridge of San Francisco.

Rev. George Lacombe and Rev. John Cavanaugh sang, on these distinct themes, the Gospel of the Passion of our Lord as told by St. John Friday evening Rev. Jas. A. Grant of Burlingame preached on the Passion, leading the large congregation in an impressively worded meditation on the tremendous tragedy of Calvary, and pointing the reflections and exponent of sinners of the present day and of all ages.

Saturday morning the Rev. J. B. Hannigan will conduct the services of the Solemn Blessing of the new fire, the reading of the ancient prophecies and the blessing of the baptismal font. The Rev. Lucien Meil of St. Patrick's Seminary will be celebrant of the High Mass at 9 o'clock.

The closing of the Lenten season and the opening of the joyous Paschal time will be marked on Sunday by solemn high mass at 10:30 o'clock. The Easter chants of the church have been carefully prepared in harmony by a choir of thirty voices. The sermon will be preached by the Rev. J. B. Hannigan and his subject will be "The Resurrection." All during Holy Week the solemn and elaborate ritual has attracted unusually large congregations to the Church of the Nativity and Easter Sunday will probably see the beautiful little church taxed to its capacity.

MENLO REPUBLICANS FORM LARGE TAFT CLUB

The Republicans of Menlo Park organized a Taft Club Thursday evening at a rousing meeting held at the Menlo Park hotel. There was a large audience present and about fifty signed the roll. James T. O'Keefe was chosen chairman and David Kirby secretary and the following committees appointed: Committee on registration, H. B. Morey, Sr., Frank Kirkpatrick, John MacBain, Mrs. Frances Logan, Mrs. T. J. Monges, T. J. Monges; platform, Samuel Shortridge, James T. O'Keefe, J. R. Daly; finance, D. E. O'Keefe, Timothy Hopkins, John MacBain. At the conclusion of the business of the meeting Samuel M. Shortridge addressed the large assembly. He delivered a forceful and eloquent address, holding his hearers spell bound for over an hour. He said that if the people of California should turn their backs on President Taft after all the favors he had conferred on the state he would blush with shame for the ingratitude of its citizens. Mr. Shortridge told how Mr. Taft, when secretary of war, aided, without apparent legal authority, San Francisco during the fire, sending supplies and money and when the contest for the fair was waged at Washington how the big hearted president came to the assistance of the city and by his influence securing the fair for the metropolis of the Pacific coast. Mr. Shortridge eloquently reviewed the history of the republican party from its inception and stated that it was the policy of the party always to give a president a second term. Mr. Shortridge closed by urging all to register and vote for William Howard Taft. Many women attended the meeting and signed the membership roll. Another meeting of the club will be held on Thursday evening, April 11th.

Assessor's Instructions

To Owners of Real Estate and Personal Property.

The law requires each and every person who owns any class of property to annually, during the month of March, April or May, file a statement with the Assessor of the county in which the property is located. The Board then sets a date for the assessment of all property owned by you on the first Monday in March at 12 o'clock of the first Monday in March at 12 o'clock.

If you hold mortgages against others send in on each mortgage a statement showing amount due on each mortgage on the first Monday in March at 12 o'clock.

No charge can be made by the Assessor in said superior court of the County of San Mateo, State of California, and answer the complaint filed therein within ten days (if the complaint is for service on you of this summons, if served within said county; if served elsewhere within thirty days.

You are hereby notified that if you fail to so appear and answer the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the court for any other relief demanded in the complaint.

Said action is brought to quiet the title of plaintiff as the owner in fee of all the lands and premises hereinafter described, and enjoining and restraining each and every one of said defendants and all persons from asserting any claim, right, title or interest adverse to plaintiff in or to that certain real property, or any part thereof, situated in the County of San Mateo, State of California, and bounded and described as follows, to-wit: Beginning at a point on the easterly side of the county road leading from San Francisco to San Jose, which said point is the most westerly corner of the lands formerly owned by Littlejohn, now the property of D. Solari, and the most southerly corner of the lands formerly owned by Littlejohn, now the property of D. Solari, and running thence along the northwesterly line of the land of said D. Solari, north 47° east 25.14 chains to the easterly boundary of the Pulgas Rancho; thence north 36° west 4.25 chains to a stake at the most easterly corner of the lands now owned by Lopez, et al.; thence along the easterly side of the above named road, thence along the easterly side of said road south 61° east 4.25 chains to the place of beginning, and containing 10.02 acres of land, and being a portion of the Pulgas Rancho, according to survey made of said parcel of land by Joseph J. Cloud, county surveyor of San Mateo County, State of California, September 23, 1885.

Witness my hand and the seal of said superior court of the County of San Mateo, State of California, this 11th day of January, 1912.

To Please the Palate

is our aim in serving meat—to retain the fine flavor Nature bestows, not to let it go to waste, as some meatshops do. With prolonging this true taste, may be set down for a fact that there is to be found a first-class place to purchase beef, mutton, lamb, ham, poultry and game, to give your table good credit with household and guest.
